**For Immediate Release**

### **SIREN TESTING ON OAHU WEDNESDAY, NOVEMBER 21**

**Honolulu**—The siren testing schedule for Wednesday, November 21, 2012, is listed below.

9:00 a.m. to 1:00 p.m.:

- **Sandy Beach**
- **Hanauma Bay**
- **Waialae Beach Park**
- **Maunalani Park**

Residents in these areas may hear the sirens sound for 30-seconds during the identified time periods. The technicians will use data gathered from these tests to verify operational status and maintenance actions.

This completes the scheduled siren maintenance tests. Oahu residents may call State Civil Defense at **(808)733-4300** if they have any questions or concerns regarding this test of the Statewide Outdoor Siren Warning System. Contact the City and County of Honolulu Department of Emergency Management at **(808) 723-8960** to report routine siren operations issues. Oahu residents may also sign up to adopt a siren at <http://sirens.honolulu.gov>.

State Civil Defense encourages the public to make use of redundant methods of warning including, but not limited to, text notification systems and NOAA Weather Radio.
